

GALLI THEATER CAMP at GSB

The German School Brooklyn is proud to offer on site camps during most school breaks. We view this as an opportunity for students to explore an area of interest or try something new. This November, our friends at Galli Theater will hold theater workshops at GSB.

Camp Location

All GSB camps take place at 9 Hanover Place or the surrounding premises (Fort Greene Park, 16 Sycamores Playground, etc). If a camp takes place primarily indoors, the students will also spend a portion of the day outside.

Camp Hours

Drop off:	8:30 am - 9:00 am
Camp hours:	9:00 am - 3:00 pm
Pick up:	3:00 pm

Age and Participant Requirements

GSB camps are generally geared toward students in Kindergarten through Grade 8. For camps with a wider age range, activities will be differentiated and older students may take leadership positions.

The maximum number of registrants for the November camp is 20 students.

Galli Theater Camp

Language: German
Instructor: Galli Team
Age: Grades K - 8
Days: November 11 & 12

In Galli Theater Class, the kids will take the stage! Students are led through the concepts of speaking clearly, role change and rhythmic play. Theater camp is just the right place to try out different roles from various fairy tales. Galli does warm up & theater games along with movement activities to prepare our young actors for the stage. They then choose a section of a fairy tale that they will rehearse and act out as a group. Each child picks their own role and they have costumes to complete the transformation!

Camps will take place at German School Brooklyn. Students will also spend time outside each day.
